
AutoCAD Crack PC/Windows (Updated 2022)

AutoCAD Serial Key [Latest-2022]

Type the following command to run the AutoCAD 13 keygen: "%ProgramFiles%\Autodesk\AutoCAD 2013\admin\AutoCAD.exe" When prompted to update, simply click on "OK". If the keygen for Autodesk AutoCAD 2013 fails to run, try downloading it again. The keygen will produce a file named "sketch8.ini". Extract the contents of the zip file into your documents folder and rename sketch8.ini to "sketch8.ini.bak" Close Autocad and run the sketch8.ini.bak. How to install the Keygen This is the.zip file needed. 1. Download sketch8.ini.bak 2. Extract the contents of the zip file into your documents folder and rename sketch8.ini.bak to sketch8.ini 3. Run AutoCAD and follow the instructions above. How to unlock the program for use with certain size/level numbers Firstly, you need to know which version of the program you want to unlock. Using version 13, the program can be unlocked by creating a new.bak and running the unlock program, using version 12, the program can be unlocked by creating a new.bak and running unlock9.bat. Unlocking can be done by using either Autodesk AutoCAD or the sketch8.ini. How to unlock a program with version 13 This method can be used for programs like Autodesk Revit, that share a large amount of key-numbers. To unlock the software, 1. Download Autodesk Revit and launch it. 2. Open the Autodesk Revit menu. 3. Go to Preferences. 4. Click on the 'License Keys' tab. 5. Type in the activation number for your license. 6. Click 'Change' 7. Uncheck the box 'Import program activation number', and then click 'OK'. 8. Type in the activation number for your license. 9. Click 'Change' 10. Click on 'Import File', and then find the sketch8.ini in the /shared folder. 11. Click 'Open' 12. Click on 'OK' 13. Click 'Add'

What's New in the?

Macro Express Tools: Save you time and make you more productive with a range of tools. Drag, drop, and use any tool on a drawing from anywhere in AutoCAD or from a web browser. (video: 1:47 min.) Airspace Analysis: You can now automatically view the area used by drawing objects and the area that is not available to the objects based on the edges, the axes, and the title blocks. (video: 0:48 min.) WCS-Presto: WCS-Presto is a powerful industry-standard file format for CAD interoperability. Now you can have your CAD data in WCS-Presto format and easily import it into any type of 3D program to create fully interoperable geometry. (video: 0:36 min.) Multipart: A collaboration feature that allows you to easily share parts of your model with other users. The multipart feature lets you easily share files from the Web or other programs with other users. You can also send the links to your coworkers. (video: 0:48 min.) Boundary Analysis: Boundary analysis lets you view and identify shapes that intersect with a 3D object or a 2D shape. It can be useful for analyzing existing or new drawings. (video: 0:36 min.) Document set: Document sets let you easily and automatically organize your shared drawings. Create an archive of multiple drawings and then easily send a document set to colleagues, printouts, email, or FTP. (video: 0:48 min.) Contextual Quick Info: Quickly get accurate information about a dimension or a 3D object or view in the Model Browser. You can now get accurate information about a drawing. (video: 0:43 min.) Extended Add-Ins: Use the power of the extensive Autodesk Add-Ins, tools, and features. Your add-ins and customizations are now available to all your drawings and can be shared with other users. (video: 1:22 min.) Export as DWG: CADDWG, the export format for sharing engineering models with other users, was introduced in AutoCAD in 2014. You can now save your drawing as a CADDWG file and share it with other users. (video: 1:22 min.)

System Requirements For AutoCAD:

Minimum: OS: Windows 7 64 bit / Vista 64 bit / XP 64 bit / Windows 2000 SP3 / Windows 8.1 64 bit
Processor: Intel Core i3 (2.4 GHz) Memory: 2 GB RAM Graphics: Intel GMA 950 Hard Disk Space: 1 GB available space DirectX: Version 9.0c Network: Broadband Internet connection Sound Card: Windows Media Audio 9 series (other formats not supported) Additional Notes: Latest downloaded version of the game:
