Although the survival of the Lands Between depends on the cooperation between the races, three races battle to impose their will upon the Lands: those who follow the grace of the Witch Elves, those whose thirst for power and militarism led them to war against their fellows, and those who serve the Rebellion and struggle to overthrow the Witch Elves. The Witch Elves, the Fell Dukes, the Skirmishers, the Elden Lords, and the Rebellion. The Lands Between: Friction Between the Lands and the People. The Lands Between: A Land in Chaos.
